PHONE

425-487-9506- FAX

Our practice provides full-scope oral & maxillofacial surgery, including the removal of wisdom teeth and all aspects of dental implant surgery. At our state-of-the art office and surgical center, we offer the latest in cutting-edge implant surgery technology - including virtual 3D planning, all manner of bone grafting, CT surgical guidance and implant placement. General anesthesia and all levels of sedation are available for comfort in surgery.

We invite you to visit our practice!

Building a healthier planet one landscape at a time.

“**Sustainable**” means a practice or a product that meets today’s needs without compromising the needs of future generations.

At In Harmony, “**sustainable**” means providing services in a manner that honors our planet, all who live on it and its natural resources.

Landscape Design & Installation

SIMPLE, DONE WELL.

FRESH INGREDIENTS FROM OUR OCEAN, FARMS & FORESTS.

Pan-seared sea scallops in beurre blanc are one of Chef Russell Dean Lowell's signature dishes. Harvesting fresh bounty from our farms, forests and oceans is a time-honored tradition at Russell's, whether you are in the mood for mouthwatering filet mignon with mushroom risotto or grilled salmon. Every taste is a celebration of Northwest tradition, perfectly crafted by Chef Lowell's unsurpassed panache and his use of simple, fresh ingredients.
